

CONTACT REPORT

CADROIT/CARBOHYDRATE

SECRET 8 Nov 54

Date, Time, and Place of Meeting: 2 Nov 54, 1900-2100, C's Apt.

Present: A. CARBOHYDRATE B. [ ]

1. CARBOHYDRATE delivered a number of additional room check sheets. He stated that all rooms had been checked and the sheets written out—it was now only a question of getting all of the room check sheets typed up. This runs into the chronic secretary shortage problem. All forms will be in without too much delay, however.

2. C delivered a written report re visitor from East Berlin who has for some time received letters and telephone calls which would be perfectly understandable if she were acting as a live drop, but cannot be explained in this manner. The telephone calls are made in an accent, apparently Russian ("Du machen Brief auf und sagen, was drin steht!"). For discussion with CART.

3. C delivered, as earlier requested, reports on each person whom had been sent to CASTABIA and each person whom it had been unsuccessfully attempted to send to CASTABIA (plus reasons for impossibility in latter cases). The reports covered the ~~previous~~ October period. Eight persons had been sent to <sup>(an increase in the rate)</sup> CASTABIA. Unsuccessful attempts had been made to send an additional 7. The reasons in the latter cases were usually that it was too late in the day (CASTABIA closes up at 1500) or, in one case, the person had already been to the house.

4. C [ ] requested nametrace on Kuehnemann, H.  
5. C [ ] returned the file on Meyer.

NEXT MEETING: 5 Nov 54, 1900, same place.

SECRET

ADDENDUM: C mentioned that [ ] had been concerned because C had turned the file on Meyer over to [ ] without informing [ ] [ ] [ ] instructed C to inform Ladell or von R. in all such cases. C will do, although he said that this is a matter of "mood"; if he informs every time he takes out a file for two weeks, he will be told not to bother people with such minor matters. But [ ] instructions will be carried out.
